On hand for the Ribbon Cutting Ceremony were Downers Grove Mayor Ron Sandack and Chamber of Commerce President Laura Crawford who assisted with the ribbon cutting and unveiling of Bradford & Kent's new monument sign and corporate identity.

B&K's new Design Center showcases the latest in home building design, style and product innovation to provide the inspiration and ideas to design and build great spaces.

"The expanded Design Center is full of beautifully designed interior and exterior living spaces that really allows families to see the possibilities for their home," said partner Joe Pavone, "we are very excited about the new design environment and the enhanced services and offerings we are providing for our clients."
