

Custom Home Remodeling Show

Saturday, February 11 from 10am - 4pm

Whether you are a seasoned remodeler or beginning your first project, this event will give you a wealth of information. Our architectural designers will demonstrate how our **exclusive three dimensional design process** allows you to easily visualize your project, make changes and actually walk through the space. In addition, our product experts will show you the latest styles in cabinetry, plumbing fixtures, windows, doors, exterior products, tile, flooring and trim, while *Dream Interiors'* top decorators will tell you what's hot in interior design. You will enjoy watching the master bakers from *Toni's Patisserie* of Hinsdale design and sample their Valentine treats in our gourmet kitchen. And, if you have questions about financing, *U.S. Bank* representatives will be there to answer any of your questions.

Delicious Food And Delectable Kitchens

Tuesday, March 20 from 6 - 9pm

Join us at the Wolf Sub-Zero showroom in Glendale Heights to see their top chefs in action and sample their sumptuous culinary fare. After the cooking demonstration, you will be able to gather inspiration from their extraordinary kitchen vignettes and restaurant quality appliances. It's an experience you don't want to miss. Reservations are required, so call soon to reserve your seat.

Transforming Your Home's Exterior

Saturday, April 21 from 10:30am - 1pm

Is your home's exterior in need of updating or even a total makeover? If so, we will give you the solution. Whether it's simply adding a few architectural style windows and a custom front door, or changing the roofline and putting on a grand front porch, we can give your home a new look. At this event, you will learn how easy it is to dramatically change the style of your home's exterior.

Basements Are The New Third Floor

Saturday, May 19 from 10:30am - 1pm

Finishing your basement can be an inexpensive way of increasing the living space for your children or for the whole family to enjoy. Think how nice it would be to take a mini family retreat in your cozy new basement complete with a kitchen, bath and fireplace. And if you like to entertain, we can design a bar area with a real pub atmosphere, walk-in wine cellar, game room complete with a billiard table and shuffle board, or even a home theater with stadium seating and popcorn machine. The options are limitless. At this event we will give you a sampling of the possibilities.

Additions, Kitchens, Baths, Basements And More

Saturday, September 15 from 10:30am - 1pm

Whether you are adding a large new addition or putting in a spa bath, this seminar will explain the basics of custom home remodeling. We will show you how a good addition preserves the architectural integrity of the existing structure. Our designers will explain how the ideal kitchen combines your culinary needs with your entertaining needs, how your bath can serve as a welcome retreat and basements can add a whole new living area. We want to learn about your particular project, so bring us your ideas and we will show you the possibilities.

Join Us In The Chef's Kitchen

Saturday, October 10 from 6:30 - 9pm

Morton's executive chefs will prepare and serve their famous double rib lamb chops, bacon wrapped scallops, jumbo lump crab cakes, filet mignon steak sandwiches and hot chocolate cake. Savor Morton's signature dishes while touring kitchen vignettes featuring the latest design trends. Reservations are required. This special event fills up quickly so call early to reserve your seat.

Dates of the events are subject to change so please call to confirm.
